## KING'S KORNER

Well 2017 was a fast year. 2017 was fast but our Lions club was out in front doing the most good. As I look back I am so proud of our focus on our mission. We accomplished almost all of our goals.

We start the year with a bang visiting St. Lucy's Day School. I can't wait to meet the kids and be inspired by their courage and enthusiasm. We need to visit and get to know those we support. They are a major potential source of new members.

It won't be long before we recognize the high school students for their academic and civic accomplishments. It won't be long before we start to plan and then have our chicken barbecue. It won't be long before the 4th of July parade and celebration takes place. It won't be long before Beacon Lodge finds its way on the calendar. It won't be long before we visit the Blind Bowlers. It won't be long before we give financial support to many organizations who help our blind and visually impaired friends and the youth and civic organizations in our community.

I don't know about you but I'm excited to get at it and hopefully inspire others to join us. Last year was a good year, this coming year has challenges. These challenges are serious but we are up to the task. It won't be long before we hit our budgets. It won't be long before we recruit more members. It won't be long before attendance at our meetings increase. It won't be long before we say good bye to 2018 and hello to 2019.

How do I know we will accomplish our goals? Because, I have faith in the mission and I know you do to.

I wish all of you health and happiness in the coming year.

*King Lion Joe*
